

Staff Augmentation

We provide experienced professionals who integrate with your team to help deliver projects without the time, cost, or long-term commitment of hiring full-time employees.

We are passionate about helping public agencies turn ideas into action. We specialize in economic development, infrastructure planning, and public-private partnerships, equipping local governments with the expertise and resources needed to launch transformative projects and drive sustainable growth.

Featured Deliverables

- **Customized Economic Research Reports**
Data-driven research and analysis tailored to agency priorities.
- **Council- and Commission-Ready Memos**
Staff reports and briefing materials designed for public meetings and decision-making.
- **Two-Sided Handouts for Public or Internal Use**
Fact sheets and project summaries for outreach and internal communications.
- **Presentation Briefings**
Executive presentations, stakeholder updates, and meeting materials
- **Grant Writing & Grant Management**
End-to-end grant support, from applications to compliance and reporting.

Flexible Engagement Options

Whether you need project-specific support or ongoing assistance over multiple months, our scalable model allows you to engage the right expertise at the right time.
